Charter 18684

December, 2010

The Mobile Home Owners Association of Illinois is a grass roots organization serving the needs of residents living in Manufactured Home Communities across the State of Illinois. Our memberships do not even begin to cover the costs of our Volunteer President to be in Springfield, looking out for our interests. Without her there, we would have no representation against the owners of communities such as ours, as those of you who live in a Manufactured Home Community already know. It is imperative that we raise additional funds to continue to have that representation for the 400,000 or so Manufactured Home residents throughout the state, the majority of who are seniors on fixed incomes.

With this in mind, we are pleased to announce our 5th Annual MHOAI Fund Raiser, which will be a golf outing held at The Golf Vista Estates Course in Monee on Saturday, June 25, 2011. Participants will be able to play 9 or 18 holes, with the cost adjusted for each. A meal is included with each 9 hole ticket. In addition, each 9 holes will have contests and prizes will be awarded. All golfers will also have an opportunity to win a 2011 Buick automobile, should they hit a hole in one.

We are now accepting Corporate Sponsors, Hole Sponsors, Foursomes and Individual Golfers as well as prizes. All donations are tax deductible.
