

1/12/07

Honorable Governor Rod R. Blagojevich  
207 State House  
Springfield, IL. 62706

Governor :

Please sign into law HB4342 that sets Fire Safety standards for the  
manufactured/mobile home communities in Illinois.

This Bill passed the House and Senate with no Nays and has full support of  
Illinois Fire Department organizations.

Until this important Bill is signed, it cannot be assigned to JCAR to update rules  
and regulations thereby delaying implementation of the new fire safety standards  
in 2007.

Signed
